

## HYDRAULIC SAE 10W

**Application:** This top quality SAE 10W oil is recommended for hydraulic systems of civil engineering and construction equipment. **HYDRAULIC SAE 10W** meets API specification CF-4 / CF / SF and Mack EO – K / 2 type performance.

**Specification:**

SAE	10W
Density	0.885
Viscosity at 40°C	32
Viscosity at 100°C	6.3
TBN	10.5
Pour point	-30
Flashpoint	214
Sulphate Ash	1.22
API	CF – 4 CF / SF
Base	Mineral

**Transport:** ADR/SDR Not Dangerous Goods

**Disposal:** VVS-CODE:

**Toxicity:** Toxic Class: Free  
BAG-T NR: 611500
