REG. NO. 1998/047756/23 VAT. NO. 4440198622 CELL: 083 704 2412 TELL: 011 907 0115

Technical Data Sheet

1. Product identification

Product name	True Hand Cleaner	Code	
---------------------	-------------------	-------------	--

Chemical /technical nature	Industrial type heavy gritty hand cleaner & skin degreaser
-----------------------------------	--

2. Composition /information on ingredients

Ingredients contributing to hazard	Content %	R-Symbol
Non aromatic kerosene	< 40	R22
Fatty acids	< 5	
Lanolin	> 1	
Surfactants / emulsifiers	< 10	
Natural oils / essential oils	> 2	
Amines	< 5	
Silica Grit	> 15	

3. Physical and chemical properties

Appearance	Gritty paste / off white /Pink	Odour	Sweet solvent
-------------------	--------------------------------	--------------	---------------

PH as supplied	Na	PH in 1% H2O	Na
-----------------------	----	---------------------	----

Boiling point range	Na	Degrees C	
----------------------------	----	------------------	--

Melting point range	Na	Degrees C	
----------------------------	----	------------------	--

Viscosity @ 20 degrees C	Na	mPa-s	
---------------------------------	----	--------------	--

Flash point	> 100	Degrees C	
--------------------	-------	------------------	--

Auto ignition temperature	> 150	Degrees C	
----------------------------------	-------	------------------	--

Explosion limits in air volume %	Not tested		
---	------------	--	--

Vapour pressure @ 20 degrees C	Not tested		
---------------------------------------	------------	--	--

Specific gravity- SG	1.1 approx		
-----------------------------	------------	--	--

Solubility	Yes	No
Water	***	
Organic solvents		***

Other data / comments	No
------------------------------	----

These data are typical for the product and not a specification

4. Toxicological information / health effects

Inhalation	Shortness of breath
Skin contact	None
Eye contact	Red eye , itchy
Ingestion	Upset stomach

Specific effects	None
-------------------------	------

5. Ecological information

Biodegradability	Contains ready biodegradable ingredients
Ecotoxicity	Not tested
Bioaccumulation	Not likely
